

Intercessions for Mass

For Young People...

That we may encourage Young People in our communities to fan into flame their gifts, becoming more and more of who God has created them to be. May we be reminded over and over that Young People are the church right now, not the Church of tomorrow.

Lord, in your mercy...

Hear our Prayer

For our global Church...

That the global anxieties and fears of our global youth expressed during the recent Young Synod are held close to our hearts today. May we strive every day to be truly present with our global sisters and brothers, standing in solidarity with each of them.

Lord, in your mercy...

Hear our Prayer

For Leaders....

That we may always remember that Christ is our leader, guiding us through the mountains and valleys of life. May leaders around the world - especially around Youth Funday & Sunday, those who lead Young People - be leaders of love, integrity and empowerment, recognising the dignity of each human in their care.

Lord, in your mercy...

Hear our Prayer

For the sick...

That we are filled with courage and peace when faced with illness, whether it be physical or mental. That those who are sick in our world feel the presence of our God of love and healing in their lives. May we continue to advocate a culture of care, compassion and empathy. We especially ask today that the residents and staff of Youth and Children's Health Services across the country remember their worth and unique calling as a child of God.

Lord, in your mercy...

Hear our Prayer

For our own intentions...

That anything or anyone on our hearts or minds today, is held by God our Father...

Hear our Prayer

We ask Mary, the mother of all Youth, to pray with us and for us as we say... *Hail Mary*
